Dear Stockholders of Quantenna Communications, Inc.:

We cordially invite you to attend the 2018 Annual Meeting of Stockholders (the “Annual Meeting”) of Quantenna Communications, Inc., a Delaware corporation, which will be held by virtual meeting on **Tuesday, June 5, 2018 at 1:00 p.m. Pacific Time**. You can access the virtual Annual Meeting by visiting [www.virtualshareholdermeeting.com/QTNA2018](http://www.virtualshareholdermeeting.com/QTNA2018) where you will be able to listen to the meeting live, submit questions and vote online. We believe that a virtual stockholder meeting offers a number of benefits, including improved efficiency, reduced cost and greater access to those who may want to attend.

We are holding the Annual Meeting for the following purposes, as more fully described in the accompanying proxy statement:

1. To elect three Class II directors to serve until the 2021 Annual Meeting of Stockholders and until their respective successors are duly elected and qualified;
2. To ratify the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 30, 2018; and
3. To transact such other business that may properly come before the Annual Meeting or any adjournments or postponements thereof.

Our Board of Directors has fixed the close of business on April 11, 2018 as the record date for the Annual Meeting. Only stockholders of record on April 11, 2018 are entitled to notice of and to vote at the virtual Annual Meeting. Further information regarding voting rights and the matters to be voted upon is presented in the accompanying proxy statement.

On or about April 24, 2018, we expect to mail to our stockholders a Notice of Internet Availability of Proxy Materials (the “Notice”) containing instructions on how to access our proxy statement and annual report. The Notice provides instructions on how to vote via the Internet or by telephone and includes instructions on how to receive a paper copy of our proxy materials by mail. The accompanying proxy statement and our annual report can be accessed directly at the following Internet address: [www.virtualshareholdermeeting.com/QTNA2018](http://www.virtualshareholdermeeting.com/QTNA2018). **PROXY STATEMENT**  
**FOR 2018 ANNUAL MEETING OF STOCKHOLDERS**  
**To Be Held at 1:00 p.m. Pacific Time on Tuesday, June 5, 2018**

This proxy statement and the enclosed form of proxy are furnished in connection with the solicitation of proxies by our board of directors (the “Board of Directors”) for use at the 2018 Annual Meeting of Stockholders of Quantenna Communications, Inc., a Delaware corporation, and any postponements, adjournments or continuations thereof (the “Annual Meeting”). The Annual Meeting will be held via a virtual meeting on Tuesday, June 5, 2018 at 1:00 p.m. Pacific Time. You can attend the Annual Meeting by visiting [www.virtualshareholdermeeting.com/QTNA2018](http://www.virtualshareholdermeeting.com/QTNA2018), where you will be able to listen to the meeting live, submit questions and vote online. The Notice of Internet Availability of Proxy Materials (the “Notice”) containing instructions on how to access this proxy statement and our annual report is first being mailed on or about April 24, 2018 to all stockholders entitled to vote at the Annual Meeting.

The information provided in the “question and answer” format below is for your convenience only and is merely a summary of the information contained in this proxy statement. You should read this entire proxy statement carefully. Information contained on, or that can be accessed through, our website is not intended to be incorporated by reference into this proxy statement and references to our website address in this proxy statement are inactive textual references only.

**What matters am I voting on?**

You will be voting on:

- the election of three Class II directors to serve until our 2021 Annual Meeting of Stockholders and until their respective successors are duly elected and qualified;
- a proposal to ratify the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 30, 2018; and
- any other business as may properly come before the virtual Annual Meeting.

**What if other matters are properly brought before the Annual Meeting?**

As of the date of this proxy statement, we are not aware of any other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the annual meeting, the persons named as proxies will be authorized to vote or otherwise act on those matters in accordance with their judgment.

**How does the Board of Directors recommend I vote on these proposals?**

Our Board of Directors recommends a vote:

- “FOR” the election of Glenda Dorchak and the re-election of Edwin (Ned) B. Hooper III and John Scull as Class II directors; and

- “FOR” the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for our fiscal year ending December 30, 2018.

#### **Who is entitled to vote?**

Holders of our common stock as of the close of business on April 11, 2018, the record date for the virtual Annual Meeting, may vote at the virtual Annual Meeting. As of the record date, there were 36,218,248 shares of our common stock outstanding. Stockholders are not permitted to cumulate votes with respect to the election of directors. Each share of common stock is entitled to one vote on each matter properly brought before the Annual Meeting.

*Registered Stockholders.* If shares of our common stock are registered directly in your name with our transfer agent, you are considered the stockholder of record with respect to those shares and the Notice was provided to you directly by us. As the stockholder of record, you have the right to grant your voting proxy directly to the individuals listed on the proxy card or to vote live at the virtual Annual Meeting. Throughout this proxy statement, we refer to these registered stockholders as “stockholders of record.”

*Street Name Stockholders.* If shares of our common stock are held on your behalf in a brokerage account or by a bank or other nominee, you are considered to be the beneficial owner of shares that are held in “street name,” and the Notice was forwarded to you by your broker or nominee, who is considered the stockholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker, bank or other nominee as to how to vote your shares. Beneficial owners are also invited to attend the virtual Annual Meeting. However, since a beneficial owner is not the stockholder of record, you may not vote your shares of our common stock live at the virtual Annual Meeting unless you follow your broker’s procedures for obtaining a legal proxy. If you request a printed copy of our proxy materials by mail, your broker, bank or other nominee will provide a voting instruction form for you to use. Throughout this proxy statement, we refer to stockholders who hold their shares through a broker, bank or other nominee as “street name stockholders.”

#### **How many votes are needed for approval of each proposal?**

- *Proposal No. 1:* The election of directors requires a plurality of the voting power of the shares of our common stock present virtually or by proxy at the Annual Meeting and entitled to vote thereon to be approved. “Plurality” means that the nominees who receive the largest number of votes cast “For” such nominees are elected as directors. As a result, any shares not voted “For” a particular nominee (whether as a result of stockholder abstention or a broker non-vote) will not be counted in such nominee’s favor and will have no effect on the outcome of the election. You may vote “For” or “Withhold” on each of the nominees for election as a director.
- *Proposal No. 2:* The ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for our fiscal year ending December 30, 2018, requires the affirmative vote of a majority of the voting power of the shares of our common stock present virtually or by proxy at the Annual Meeting and entitled to vote thereon to be approved. Abstentions are considered votes present and entitled to vote on this proposal, and thus, will have the same effect as a vote “Against” this proposal. Broker non-votes will have no effect on the outcome of this proposal.

## **What is a quorum?**

A quorum is the minimum number of shares required to be present at the Annual Meeting to properly hold an annual meeting of stockholders and conduct business under our amended and restated bylaws and Delaware law. The presence, virtually or by proxy, of a majority of the voting power of all issued and outstanding shares of our common stock entitled to vote at the Annual Meeting will constitute a quorum at the virtual Annual Meeting. Abstentions, withhold votes and broker non-votes are counted as shares present and entitled to vote for purposes of determining a quorum.

## **How do I vote?**

If you are a stockholder of record, there are four ways to vote:

- by Internet at [www.proxyvote.com](http://www.proxyvote.com), 24 hours a day, seven days a week, until 11:59 p.m., Eastern Time, on June 4, 2018 (have your Notice in hand when you visit the website);
- by toll-free telephone at 1-800-690-6903, 24 hours a day, seven days a week, until 11:59 p.m., Eastern Time, on June 4, 2018 (have your Notice in hand when you call);
- by completing, signing, dating and mailing your proxy card (if you received printed proxy materials); to be valid, your vote by mail must be received by us by 11:59 p.m., Eastern Time, on June 4, 2018; or
- by attending the virtual Annual Meeting by visiting [www.virtualshareholdermeeting.com/QTNA2018](http://www.virtualshareholdermeeting.com/QTNA2018), where stockholders may vote and submit questions during the meeting (have your Notice in hand when you visit the website).

Even if you plan to attend the virtual Annual Meeting, we recommend that you also vote by proxy so that your vote will be counted if you later decide not to attend the virtual Annual Meeting.

If you are a street name stockholder, you will receive voting instructions from your broker, bank or other nominee. You must follow the voting instructions provided by your broker, bank or other nominee in order to direct your broker, bank or other nominee on how to vote your shares. Street name stockholders should generally be able to vote by returning a voting instruction form, or by telephone or on the Internet. However, the availability of telephone and Internet voting will depend on the voting process of your broker, bank or other nominee. As discussed above, if you are a street name stockholder, you may not vote your shares live at the Annual Meeting unless you obtain a legal proxy from your broker, bank or other nominee.

## **Can I change my vote?**

Yes. If you are a stockholder of record, you can change your vote or revoke your proxy any time before the Annual Meeting by:

- entering a new vote by Internet or by telephone;
- completing and returning a later-dated proxy card;

- notifying the Corporate Secretary of Quantenna in writing at Quantenna Communications, Inc., 1704 Automation Parkway, San Jose, California 95131, Attention: Corporate Secretary; or
- attending and voting at the virtual Annual Meeting (although attendance at the virtual Annual Meeting will not, by itself, revoke a proxy).

If you are a street name stockholder, your broker, bank or other nominee can provide you with instructions on how to change your vote.

#### **What do I need to do to attend the virtual Annual Meeting?**

You will be able to attend the virtual Annual Meeting line, submit your questions during the meeting and vote your shares electronically at the meeting by visiting [www.virtualshareholdermeeting.com/QTNA2018](http://www.virtualshareholdermeeting.com/QTNA2018). To participate in the virtual Annual Meeting, you will need the control number included on your Notice. The virtual Annual Meeting webcast will begin promptly at 1:00 p.m. Pacific Time. We encourage you to access the meeting prior to the start time. Online check-in will begin at 12:45 p.m. Pacific Time, and you should allow ample time for the check-in procedures.

#### **What is the effect of giving a proxy?**

Proxies are solicited by and on behalf of our Board of Directors. Sean Sobers, Chief Financial Officer, and Tom MacMitchell, General Counsel and Corporate Secretary, have been designated as proxy holders by our Board of Directors. When proxies are properly dated, executed and returned, the shares represented by such proxies will be voted at the Annual Meeting in accordance with the instructions of the stockholder. If no specific instructions are given, however, the shares will be voted in accordance with the recommendations of our Board of Directors as described above. If any matters not described in this proxy statement are properly presented at the Annual Meeting, the proxy holders will use their own judgment to determine how to vote the shares. If the Annual Meeting is adjourned, the proxy holders can vote the shares on the new Annual Meeting date as well, unless you have properly revoked your proxy instructions, as described above.

#### **Why did I receive a Notice of Internet Availability of Proxy Materials instead of a full set of proxy materials?**

In accordance with the rules of the Securities and Exchange Commission (the "SEC"), we have elected to furnish our proxy materials, including this proxy statement and our annual report, primarily via the Internet. The Notice containing instructions on how to access our proxy materials is first being mailed on or about April 24, 2018 to all stockholders entitled to vote at the Annual Meeting. Stockholders may request to receive all future proxy materials in printed form by mail or electronically by e-mail by following the instructions contained in the Notice. We encourage stockholders to take advantage of the availability of our proxy materials on the Internet to help reduce the environmental impact and cost of our annual meetings of stockholders.

#### **How are proxies solicited for the Annual Meeting?**

Our Board of Directors is soliciting proxies for use at the Annual Meeting. All expenses associated with this solicitation will be borne by us. We will reimburse brokers or other nominees for reasonable expenses that they incur in sending our proxy materials to you if a broker, bank or other

nominee holds shares of our common stock on your behalf. In addition, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication, but will not be paid any additional compensation for soliciting proxies.

**How may my brokerage firm or other intermediary vote my shares if I fail to provide timely directions?**

Brokerage firms and other intermediaries holding shares of our common stock in street name for their customers are generally required to vote such shares in the manner directed by their customers. In the absence of timely directions, your broker will have discretion to vote your shares on our sole “routine” matter: the proposal to ratify the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for our fiscal year ending December 30, 2018. Your broker will not have discretion to vote on any other proposals, which are “non-routine” matters, absent direction from you.

**Where can I find the voting results of the Annual Meeting?**

We will announce preliminary voting results at the Annual Meeting. We will also disclose voting results on a Current Report on Form 8-K that we will file with the SEC within four business days after the Annual Meeting. If final voting results are not available to us in time to file a Current Report on Form 8-K within four business days after the Annual Meeting, we will file a Current Report on Form 8-K to publish preliminary results and will provide the final results in an amendment to the Current Report on Form 8-K as soon as they become available.

**What does it mean if I receive more than one Notice of Internet Availability or more than one set of printed materials?**

If you receive more than one Notice of Internet Availability or more than one set of printed materials, your shares may be registered in more than one name and/or are registered in different accounts. Please follow the voting instructions on each Notice of Internet Availability or each set of printed materials, as applicable, to ensure that all of your shares are voted.

**I share an address with another stockholder, and we received only one paper copy of the proxy materials. How may I obtain an additional copy of the proxy materials?**

We have adopted a procedure called “householding,” which the SEC has approved. Under this procedure, we deliver a single copy of the Notice and, if applicable, our proxy materials to multiple stockholders who share the same address unless we have received contrary instructions from one or more of such stockholders. This procedure reduces our printing costs, mailing costs, and fees. Stockholders who participate in householding will continue to be able to access and receive separate proxy cards. Upon written or oral request, we will deliver promptly a separate copy of the Notice and, if applicable, our proxy materials to any stockholder at a shared address to which we delivered a single copy of any of these materials. To receive a separate copy, or, if a stockholder is receiving multiple copies, to request that we only send a single copy of the Notice and, if applicable, our proxy materials, such stockholder may contact us at the following address:

Quantenna Communications, Inc.  
Attention: Investor Relations  
1704 Automation Parkway  
San Jose, California 95131  
Tel: (669) 209-5500

Street name stockholders may contact their broker, bank or other nominee to request information about householding.

**What is the deadline to propose actions for consideration at next year's annual meeting of stockholders or to nominate individuals to serve as directors?**

*Stockholder Proposals*

Stockholders may present proper proposals for inclusion in our proxy statement and for consideration at next year's annual meeting of stockholders by submitting their proposals in writing to our Corporate Secretary in a timely manner. For a stockholder proposal to be considered for inclusion in our proxy statement for the 2019 Annual Meeting of Stockholders, our Corporate Secretary must receive the written proposal at our principal executive offices not later than December 25, 2018. In addition, stockholder proposals must comply with the requirements of Rule 14a-8 regarding the inclusion of stockholder proposals in company-sponsored proxy materials. Stockholder proposals should be addressed to: Quantenna Communications, Inc., Attention: Corporate Secretary, 1704 Automation Parkway, San Jose, California 95131.

Our Amended and Restated Bylaws also establish an advance notice procedure for stockholders who wish to present a proposal before an annual meeting of stockholders but do not intend for the proposal to be included in our proxy statement. Our Amended and Restated Bylaws provide that the only business that may be conducted at an annual meeting of stockholders is business that is (i) specified in our proxy materials with respect to such annual meeting, (ii) otherwise properly brought before such annual meeting by or at the direction of our Board of Directors, or (iii) properly brought before such meeting by a stockholder of record entitled to vote at such annual meeting who has delivered timely written notice to our Corporate Secretary, which notice must contain the information specified in our amended and restated bylaws. To be timely for our 2019 Annual Meeting of Stockholders, our Corporate Secretary must receive the written notice at our principal executive offices:

- not earlier than February 8, 2019; and
- not later than the close of business on March 10, 2019.

In the event that we hold the 2019 Annual Meeting of Stockholders more than 30 days before or more than 60 days after the one-year anniversary of the Annual Meeting, notice of a stockholder proposal that is not intended to be included in our proxy statement must be received no earlier than the close of business on the 120th day before the 2019 Annual Meeting of Stockholders and no later than the close of business on the later of the following two dates:

- the 90th day prior to the 2019 Annual Meeting of Stockholders; or
- the 10th day following the day on which public announcement of the date of our 2019 Annual Meeting of Stockholders is first made.

If a stockholder who has notified us of his, her or its intention to present a proposal at an annual meeting of stockholders does not appear to present his, her or its proposal at such annual meeting, we are not required to present the proposal for a vote at such annual meeting.

### *Nomination of Director Candidates*

Holders of our common stock may propose director candidates for consideration by our Nominating and Corporate Governance Committee. Any such recommendations should include the nominee's name and qualifications for membership on our Board of Directors and should be directed to our Corporate Secretary at the address set forth above. For additional information regarding stockholder recommendations for director candidates, see the section titled "Board of Directors and Corporate Governance-Stockholder Recommendations for Nominations to the Board of Directors."

In addition, our Amended and Restated Bylaws permit stockholders to nominate directors for election at an annual meeting of stockholders. To nominate a director, the stockholder must provide the information required by our Amended and Restated Bylaws. In addition, the stockholder must give timely notice to our Corporate Secretary in accordance with our Amended and Restated Bylaws, which, in general, require that the notice be received by our Corporate Secretary within the time periods described above under the section titled "Stockholder Proposals" for stockholder proposals that are not intended to be included in a proxy statement.

### *Availability of Bylaws*

A copy of our Amended and Restated Bylaws is available on our website at <http://ir.quantenna.com/corporate-governance.cfm>. You may also contact our Corporate Secretary at the address set forth above for a copy of the relevant bylaw provisions regarding the requirements for making stockholder proposals and nominating director candidates.

### **What are the implications of being an "emerging growth company"?**

We are an "emerging growth company" under applicable federal securities laws and therefore permitted to take advantage of certain reduced public company reporting requirements. As an emerging growth company, we provide in this Proxy Statement the scaled disclosure permitted under the Jumpstart Our Business Startups Act of 2012 (the "JOBS Act"), including certain executive compensation disclosures required of a "smaller reporting company," as that term is defined in Rule 12b-2 promulgated under the Securities Exchange Act of 1934, as amended, or the Exchange Act. In addition, as an emerging growth company, we are not required to conduct votes seeking approval, on an advisory basis, of the compensation of our named executive officers or the frequency with which such votes must be conducted. We will remain an emerging growth company until the earliest of (i) the last day of the fiscal year following the fifth anniversary of the completion of our initial public offering, (ii) the last day of the first fiscal year in which our annual gross revenue is \$1.07 billion or more, (iii) the date on which we have, during the previous rolling three-year period, issued more than \$1 billion in non-convertible debt securities or (iv) the date on which we are deemed to be a "large accelerated filer" as defined in the Securities Exchange Act of 1934, as amended (the "Exchange Act").

## BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Our business affairs are managed under the direction of our Board of Directors, which is currently composed of eight members. Our Board of Directors has determined that seven of our current directors and our nominee, who is not currently a director, are independent within the meaning of the listing standards of the NASDAQ Stock Market. Our Board of Directors is divided into three staggered classes of directors. At each annual meeting of stockholders, a class of directors will be elected for a three-year term to succeed the same class whose term is then expiring.

The following table sets forth the names, ages as of March 31, 2018, and certain other information for each of the members of our Board of Directors with terms expiring at the Annual Meeting (who are also nominees for election as a director at the Annual Meeting), for the new nominee for election who is not currently a member of our Board of Directors, and for each of the continuing members of our Board of Directors:

#### **Director Independence**

Our Board of Directors has undertaken a review of the independence of each director and nominee. Based on information provided by each director and nominee concerning his or her background,

employment and affiliations, our Board of Directors has determined that none of Ms. Dorchak, Messrs. Hooper, Hughes, Lazar, Scull and Stevens, and Dr. Frank has relationships that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors and nominee are “independent” as that term is defined under the listing standards of the NASDAQ Stock Market. In making these determinations, our Board of Directors considered the current and prior relationships that each non-employee director has with our Company and all other facts and circumstances our Board of Directors deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each non-employee director and nominee, and the transactions involving them described in the section titled “Certain Relationships and Related Person Transactions.”

### **Lead Independent Director**

Our Board of Directors has adopted Corporate Governance Guidelines that provide that one of our independent directors will serve as our Lead Independent Director at any time when our Chief Executive Officer serves as the Chairman of our Board of Directors or if the Chairman is not otherwise independent. Because Dr. Heidari is our Chairman and is not an “independent” director as defined in the listing standards of the NASDAQ Stock Market, our Board of Directors appointed Mr. Tan as our Lead Independent Director on September 28, 2016, and he served as such until his resignation as Lead Independent Director on February 16, 2018. Our Board of Directors appointed Mr. Hooper as our Lead Independent Director on February 16, 2018. Our Lead Independent Director presides over periodic meetings of our independent directors, serves as a liaison between our Chairman and our independent directors and performs such additional duties as our Board of Directors may otherwise determine and delegate from time to time.

### **Board Meetings and Committees**

During our fiscal year ended December 31, 2017, our Board of Directors held eight (8) meetings (including regularly scheduled and special meetings), and each director attended at least 75% of the aggregate of (i) the total number of meetings of our Board of Directors held during the period for which he has been a director and (ii) the total number of meetings held by all committees of our Board of Directors on which he served during the periods that he or she served.

Although our Corporate Governance Policy and Guidelines does not require each member of our Board of Directors to attend annual meetings of stockholders, we strongly encourage all of our directors to attend. All members of our Board of Directors attended our 2017 Annual Meeting of Stockholders.

Our Board of Directors has established an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. The composition and responsibilities of each of the committees of our Board of Directors is described below. - developing procedures for employees to submit concerns confidentially and anonymously about questionable accounting or audit matters;
- reviewing our policies on risk assessment and risk management;
- reviewing the adequacy and effectiveness of our internal controls;
- reviewing related party transactions; and
- approving or, as required, pre-approving, all audit and all permissible non-audit services, other than de minimis non-audit services, to be performed by the independent registered public accounting firm.

Our Audit Committee operates under a written charter that satisfies the applicable rules and regulations of the SEC and the listing standards of the NASDAQ Stock Market. The charter is available on our website at <http://ir.quantenna.com/corporate-governance.cfm>. Our Audit Committee held seven (7) meetings during 2017.

#### ***Compensation Committee***

Our Compensation Committee is currently comprised of Dr. Frank and Mr. Stevens. It is anticipated that Ms. Dorchak will join our Compensation Committee upon her election to our Board of Directors at the Annual Meeting. Our Compensation Committee also included Mr. Diner, who served as chair of the committee, until his resignation from our Board of Directors and Compensation Committee on December 19, 2017. Dr. Frank currently serves as the chair of our Compensation Committee. Each member of our Compensation Committee satisfies the requirements for independence under the applicable rules and regulations of the SEC and listing standards of the NASDAQ Stock Market and is also a non-employee director, as defined pursuant to Rule 16b-3 promulgated under the Exchange Act, and an outside director, as defined pursuant to Section 162(m) of the Internal Revenue Code (the "Code"). Ms. Dorchak also satisfies these independence, non-employee director and outside director requirements. Our Compensation Committee is responsible for, among other things:

- reviewing, approving and determining, or making recommendations to our Board of Directors regarding, the compensation of our executive officers;
- administering our equity compensation plans;

The charter is available on our website at <http://ir.quantenna.com/corporate-governance.cfm>. Our Compensation Committee held eight (8) meetings during 2017.

#### ***Nominating and Corporate Governance Committee***

Our Nominating and Corporate Governance Committee is comprised of Messrs. Hooper, Lazar and Scull, each of whom satisfies the requirements for independence under the applicable rules and regulations of the SEC and listing standards of the NASDAQ Stock Market. Mr. Hooper serves as the chair of our Nominating and Corporate Governance Committee. Our Nominating and Corporate Governance Committee is responsible for, among other things:

- identifying, evaluating and selecting, or making recommendations to our Board of Directors regarding, nominees for election to our Board of Directors and its committees;
- evaluating the performance of our Board of Directors and of individual directors;
- considering and making recommendations to our Board of Directors regarding the composition of our Board of Directors and its committees;
- reviewing developments in corporate governance practices;
- evaluating the adequacy of our corporate governance practices and reporting; and
- developing and making recommendations to our Board of Directors regarding corporate governance guidelines and matters.

Our Nominating and Corporate Governance Committee operates under a written charter that satisfies the applicable listing standards of the NASDAQ Stock Market. The charter is available on our website at <http://ir.quantenna.com/corporate-governance.cfm>. Our Nominating and Corporate Governance Committee held four (4) meetings during 2017.

#### **Board Leadership Structure**

Dr. Heidari currently serves as both the Chairman of our Board of Directors and as our Chief Executive Officer. Our lead independent director and our independent directors bring experience, oversight and expertise from outside of our company, while Dr. Heidari brings company-specific experience and expertise. As a long-time member of our executive team, Dr. Heidari is best positioned to

identify strategic priorities, lead critical discussion and execute our business plans. We believe that the structure of our Board of Directors and its committees provides effective independent oversight of management while Dr. Heidari's combined role enables strong leadership, creates clear accountability and enhances our ability to communicate our message and strategy clearly and consistently to stockholders.

#### **Compensation Committee Interlocks and Insider Participation**

None of the members of our Compensation Committee is or has been an officer or employee of our Company. None of our executive officers currently serves, or in the past year has served, as a member of the Board of Directors or Compensation Committee (or other board committee performing equivalent functions) of any entity that has one or more of its executive officers serving on our Board of Directors or Compensation Committee.

#### **Considerations in Evaluating Director Nominees**

Our Nominating and Corporate Governance Committee uses a variety of methods for identifying and evaluating director nominees. In its evaluation of director candidates, our Nominating and Corporate Governance Committee will consider the current size and composition of our Board of Directors and the needs of our Board of Directors and the respective committees of our Board of Directors. Some of the qualifications that our Nominating and Corporate Governance Committee considers include, without limitation, issues of character, integrity, judgment, diversity, independence, area of expertise, corporate, industry and eco-system experience, length of service, potential conflicts of interest, availability and other commitments. Nominees must also have the highest personal and professional ethics and integrity, proven achievement and competence in their respective field and the ability to exercise sound business judgment, skills that are complementary to those of the existing Board of Directors, and the ability to assist and support management and make significant contributions to the Company's success. Members of our Board of Directors are expected to prepare for, attend, and participate in all Board of Directors and applicable committee meetings. Other than the foregoing, there are no stated minimum criteria for director nominees, although our Nominating and Corporate Governance Committee may also consider such other factors as it may deem, from time to time, are in our and our stockholders' best interests.

Our Board of Directors believes that our Board of Directors should be a diverse body, and our Nominating and Corporate Governance Committee considers a broad range of backgrounds and experiences. In particular, various forms of diversity, including gender diversity as well as different mixes of skills, experience and perspective, can add meaningful value to corporate boards. Our Nominating and Corporate Governance Committee considers these and other factors as it oversees the annual Board of Directors and committee evaluations. After completing its review and evaluation of director candidates, our Nominating and Corporate Governance Committee recommends to our full Board of Directors the director nominees for selection.

#### **Stockholder Recommendations for Nominations to the Board of Directors**

Our Nominating and Corporate Governance Committee will consider candidates for director recommended by stockholders holding at least five percent (5%) of the fully diluted capitalization of our company continuously for at least twelve (12) months prior to the date of the submission of the recommendation, so long as such recommendations comply with our amended and restated certificate of incorporation and amended and restated bylaws and applicable laws, rules and regulations, including those promulgated by the SEC. Our Nominating and Corporate Governance Committee will evaluate such recommendations in accordance with its charter, our amended and restated bylaws, our policies and procedures for director candidates, as well as the regular director nominee criteria described above. This

process is designed to ensure that our Board of Directors includes members with diverse backgrounds, skills and experience, including appropriate financial and other expertise relevant to our business. Eligible stockholders wishing to recommend a candidate for nomination should contact our General Counsel or our Legal Department in writing. Such recommendations must include information about the candidate, including the candidate's name, home and business contact information, detailed biographical data and relevant qualifications, a statement of support by the recommending stockholder, evidence of the recommending stockholder's ownership of our common stock and a signed letter from the candidate confirming willingness to serve on our Board of Directors. Our Nominating and Corporate Governance Committee has discretion to decide which individuals to recommend for nomination as directors.

Under our bylaws, stockholders may also nominate persons for our Board of Directors. Any nomination must comply with the requirements set forth in our bylaws and should be sent in writing to our General Counsel or our Legal Department at Quantenna Communications, Inc., 1704 Automation Parkway, San Jose, California 95131. To be timely for our 2019 Annual Meeting of Stockholders, our General Counsel or Legal Department must receive the nomination no earlier than February 8, 2019 and no later than March 10, 2019.

### **Communications with the Board of Directors**

Interested parties wishing to communicate with our Board of Directors or with an individual member or members of our Board of Directors may do so by writing to our Board of Directors or to the particular member or members of our Board of Directors, and mailing the correspondence to our General Counsel at Quantenna Communications, Inc., 1704 Automation Parkway, San Jose, California 95131. Our General Counsel, in consultation with appropriate members of our Board of Directors as necessary, will review all incoming communications and, if appropriate, all such communications will be forwarded to the appropriate member or members of our Board of Directors, or if none is specified, to the Chairman of our Board of Directors.

### **Corporate Governance Guidelines and Code of Business Conduct and Ethics**

Our Board of Directors has adopted Corporate Governance Guidelines that address items such as the qualifications and responsibilities of our directors and director candidates and corporate governance policies and standards applicable to us in general. In addition, our Board of Directors has adopted a Code of Business Conduct and Ethics that applies to all of our employees, officers and directors. Our Board of Directors has also adopted a Code of Ethics for our Chief Executive Officer and Senior Financial Officers. The full text of our Corporate Governance Guidelines, Code of Business Conduct and Ethics and Code of Ethics for our Chief Executive Officer and Senior Financial Officers is posted on the Corporate Governance portion of our website at <http://ir.quantenna.com/corporate-governance.cfm>. We will post amendments to our Code of Business Conduct and Ethics, Code of Ethics for our Chief Executive Officer and Senior Financial Officers or waivers of the applicable codes for directors, executive officers and senior financial officers on the same website in accordance with applicable requirements.

### **Risk Management**

Risk is inherent with every business, and we face a number of risks, including strategic, financial, business and operational, legal and compliance, and reputational. We have designed and implemented processes to manage risk in our operations. Management is responsible for the day-to-day management of risks the company faces, while our Board of Directors, as a whole and assisted by its committees, has responsibility for the oversight of risk management. In its risk oversight role, our Board of Directors has

the responsibility to satisfy itself that the risk management processes designed and implemented by management are appropriate and functioning as designed.

Our Board of Directors believes that open communication between management and our Board of Directors is essential for effective risk management and oversight. Our Board of Directors meets with our Chief Executive Officer and other members of our senior management team at quarterly meetings of our Board of Directors, where, among other topics, they discuss strategy and risks facing the company, as well as at such other times as they deem appropriate.

While our Board of Directors is ultimately responsible for risk oversight, the committees of our Board of Directors assist our Board of Directors in fulfilling its oversight responsibilities in certain areas of risk. Our Audit Committee assists our Board of Directors in fulfilling its oversight responsibilities with respect to risk management in the areas of internal control over financial reporting and disclosure controls and procedures, liquidity, and legal and regulatory compliance related to financial matters, and discusses with management and the independent auditor guidelines and policies with respect to risk assessment and risk management. Our Audit Committee also reviews our major financial risk exposures and the steps management has taken to monitor and control these exposures. Our Nominating and Corporate Governance Committee assists our Board of Directors in fulfilling its oversight responsibilities with respect to the management of risk associated with board organization, membership and structure, and corporate governance. Our Compensation Committee assesses risks created by the incentives inherent in our compensation policies. Finally, our full Board of Directors reviews strategic and operational risk in the context of reports from the management team, receives reports on all significant committee activities at each regular meeting, and evaluates the risks inherent in significant transactions.

### **Non-Employee Director Compensation**

#### *Outside Director Compensation Policy*

Members of our Board of Directors who are not employees are eligible for compensation under our Outside Director Compensation Policy, which became effective on October 27, 2016, the date of the effectiveness of the registration statement in connection with our initial public offering. Under our Outside Director Compensation Policy, each non-employee director is entitled to receive compensation for his or her service consisting of annual cash retainers and equity awards as described below. Our outside director compensation policy was crafted in consultation with Compensia, Inc. (“Compensia”), an independent consultant. Compensia provided us with competitive data, analysis and recommendations regarding non-employee director compensation. After careful consideration of this information and the scope of the duties and responsibilities of our non-employee directors, our Compensation Committee and our Board of Directors approved our outside director compensation policy, which we believe provides reasonable compensation to our non-employee directors that is commensurate with their contributions and appropriately aligned with our peers. Our Board of Directors and our Compensation Committee will have the discretion to revise non-employee director compensation as they deem necessary or appropriate.

**Cash Compensation.** Under our Outside Director Compensation Policy, all non-employee directors are entitled to receive the following cash compensation for their services:

- \$35,000 per year for service as a board member;
- \$20,000 per year additionally for service as lead independent director of the board;
- \$15,000 per year additionally for service as chair of the Audit Committee;
- \$7,500 per year additionally for service as an Audit Committee member other than chair;
- \$10,000 per year additionally for service as chair of the Compensation Committee;
- \$5,000 per year additionally for service as a Compensation Committee member other than chair;
- \$5,000 per year additionally for service as chair of the Nominating and Corporate Governance Committee; and
- \$2,500 per year additional for services as a Nominating and Corporate Governance Committee member other than chair.

All cash payments to non-employee directors are paid quarterly in arrears on a prorated basis to each non-employee director who served in the relevant capacity at any point during the immediately preceding fiscal quarter.

Each non-employee director is also entitled to reimbursement by the Company of reasonable, customary and properly documented travel expenses to attend meetings of the Board of Directors and committees thereof.

**Equity Compensation.** Under our Outside Director Compensation Policy, nondiscretionary, automatic grants of restricted stock units are made to our non-employee directors as described below.

Non-employee directors are eligible to receive all types of equity awards (except incentive stock options) under our 2016 Omnibus Equity Incentive Plan (the “2016 Plan”) (or the applicable equity plan in place at the time of grant) including discretionary awards not covered under our Outside Director Compensation Policy. All grants of awards under our Outside Director Compensation Policy will be automatic and nondiscretionary.

*Initial Award.* Each person who first becomes a non-employee director after October 27, 2016, the effective date of our Outside Director Compensation Policy, will be granted a restricted stock unit award having a grant date value equal to \$270,000 (the “Initial Award”). The Initial Award automatically will be granted on the date on which such person first becomes a non-employee director. A director who is an employee who ceases to be an employee director but who remains a director will not receive an Initial Award.

If the Initial Award is granted in connection with our annual stockholder meeting, then, subject to the non-employee director continuing to serve as a director through each applicable vesting date, one-third of the shares subject to the Initial Award shall vest on the one-year anniversary of the date of grant (and if there is no corresponding day, on the last day of the month), or, if earlier, on the day prior to the first annual meeting of stockholders following the date of grant, an additional one-third of the shares subject to such Initial Award will vest on the two-year anniversary of the date of grant (and if there is no corresponding day, on the last day of the month), or, if earlier, on the day prior to the second annual

meeting of stockholders following the date of grant, and the final one-third of the shares subject to such Initial Award will vest on the three-year anniversary of the date of grant (and if there is no corresponding day, on the last day of the month), or, if earlier, the day prior to the third annual meeting of stockholders following the date of grant.

If the Initial Award is granted not in connection with an annual meeting of stockholders, then, subject to the non-employee director continuing to serve as a director through each applicable vesting date, one-third of the shares subject to such Initial Award will vest on each annual anniversary of the date of grant thereafter (and if there is no corresponding day, on the last day of the month).

*Annual Awards.* On the date of each annual meeting of stockholders beginning with the upcoming Annual Meeting following the effective date of our Outside Director Compensation Policy, each non-employee director, if he has served as a director since the previous annual meeting of stockholders, will automatically be granted a restricted stock unit award having a grant date value equal to \$135,000 (the "Annual Award"); provided that any non-employee director who is not continuing as a director following the applicable annual meeting will not receive an Annual Award with respect to such annual meeting. If, as of the date of an annual meeting of stockholders, a non-employee director had not been a non-employee director as of the previous annual meeting of stockholders, then he or she will not be granted a full Annual Award and instead will automatically be granted a prorated Annual Award, or Pro Rata Annual Award, with a total value equal to the result of (x) \$135,000 multiplied by (y) a fraction (i) the numerator of which is the number of months he or she has served as a non-employee director (which will not exceed 12) and (ii) the denominator of which is 12. Any non-employee director who is not continuing as a director following the applicable annual meeting of stockholders will not receive an Annual Award or Pro-Rata Annual Award with respect to such annual meeting of stockholders. Each Annual Award and Pro-Rata Annual Award will vest as to 100% of the shares subject thereto upon the earlier of the one-year anniversary of the grant date or the day prior to our next annual meeting occurring after the grant date, subject to the individual's continued service as a director through the applicable vesting date.

The value of all equity awards granted under our Outside Director Compensation Policy will be determined using the fair market value of the shares as of the date of grant (or such other methodology as our Board of Directors or our Compensation Committee may determine prior to the grant of the awards becoming effective, as applicable).

Our 2016 Plan provides that in the event of a change in control, as defined in our 2016 Plan, each outstanding equity award granted under our 2016 Plan to a non-employee director will fully vest, all restrictions on the shares subject to such award will lapse, and with respect to awards with performance-based vesting, all performance goals or other vesting criteria will be deemed achieved at 100% of target levels, and all of the shares subject to such award will become fully exercisable, if applicable, unless specifically provided otherwise under the applicable award agreement or other written agreement with the director.

In order to provide a maximum limit on the awards that can be made to our outside directors, our Plan provides that in any given fiscal year, an outside director will not be granted awards having a grant-date fair value greater than \$810,000, but this limit is increased to \$1,350,000 in connection with his or her initial service. The grant-date fair values for this purpose will be determined according to U.S. generally accepted accounting principles. The maximum limits do not reflect the intended size of any potential grants or a commitment to make grants to our outside directors under our Plan in the future.

**PROPOSAL NO. 1  
ELECTION OF DIRECTORS**

Our Board of Directors is currently comprised of eight members. In accordance with our Amended and Restated Certificate of Incorporation, our Board of Directors is divided into three staggered classes of directors. At the Annual Meeting, three Class II directors, comprised of two existing directors and one new nominee, will seek to be elected for a three-year term to succeed the same class whose term is then expiring.

Each director's term continues until the election and qualification of his or her successor, or such director's earlier death, resignation, or removal. Any increase or decrease in the number of directors will generally be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of our directors. This classification of our Board of Directors may have the effect of delaying or preventing changes in control of our Company.

**Nominees**

Our Nominating and Corporate Governance Committee has recommended, and our Board of Directors has approved, Glenda Dorchak, Edwin (Ned) B. Hooper III and John Scull as nominees for election as Class II directors at the Annual Meeting. If elected, each of Ms. Dorchak and Messrs. Hooper and Scull will serve as Class II directors until our 2021 Annual Meeting of Stockholders and until their successors are duly elected and qualified. However, it is anticipated that following Mr. Scull's re-election as a Class II director, and the resignation of Lip-Bu Tan as a Class III director immediately following the 2018 Annual Meeting of Stockholders (as previously announced), Mr. Scull will be moved from Class II to Class III. Accordingly, while Mr. Scull is being re-elected for a three-year term as a Class II director, his effective term following his move to a Class III director will be one year since the term for Class III directors expires at the 2019 annual meeting of stockholders.

Each of the nominees is currently a director of our Company, other than Ms. Dorchak. For information concerning the nominees, please see the section titled "Board of Directors and Corporate Governance."

If you are a stockholder of record and you sign your proxy card or vote by telephone or over the Internet but do not give instructions with respect to the voting of directors, your shares will be voted "For" the election of Ms. Dorchak and Messrs. Hooper and Scull as Class II directors. We expect that each of Ms. Dorchak and Messrs. Hooper and Scull will accept such nomination; however, in the event that a director nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee designated by our Board of Directors to fill such vacancy. If you are a street name stockholder and you do not give voting instructions to your broker or nominee, your broker will leave your shares unvoted on this matter.

**Vote Required**

The election of directors requires a plurality of the voting power of the shares of our common stock present virtually or by proxy at the Annual Meeting and entitled to vote thereon to be approved. Any shares not voted "For" a particular nominee (whether as a result of stockholder abstention or a broker non-vote) will not be counted in such nominee's favor and will have no effect on this proposal.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR"  
EACH OF THE NOMINEES NAMED ABOVE.**

**PROPOSAL NO. 2**  
**RATIFICATION OF APPOINTMENT OF**  
**INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Our Audit Committee has appointed PricewaterhouseCoopers LLP (“PwC”), an independent registered public accounting firm, to audit our consolidated financial statements for our 2018 fiscal year ending December 30, 2018. During our 2017 fiscal year ended December 31, 2017, PwC served as our independent registered public accounting firm.

Notwithstanding the appointment of PwC and even if our stockholders ratify the appointment, our Audit Committee, in its discretion, may appoint another independent registered public accounting firm at any time during our fiscal year if our Audit Committee believes that such a change would be in the best interests of our company and our stockholders. At the Annual Meeting, our stockholders are being asked to ratify the appointment of PwC as our independent registered public accounting firm for our 2018 fiscal year ending December 30, 2018. Our Audit Committee is submitting the appointment of PwC to our stockholders because we value our stockholders’ views on our independent registered public accounting firm and as a matter of good corporate governance. Representatives of PwC will be present at the virtual Annual Meeting, and they will have an opportunity to make a statement and will be available to respond to appropriate questions from our stockholders.

If our stockholders do not ratify the appointment of PwC, our Board of Directors may reconsider the appointment.

**Fees Paid to the Independent Registered Public Accounting Firm**

The following table presents fees for professional audit services and other services rendered to our Company by PwC for our 2016 fiscal year ended January 1, 2017 and our 2017 fiscal year ended December 31, 2017.

	2017	2016

Fees for our 2016 fiscal year also consisted of professional services rendered in connection with our Registration Statement on Form S-1 related to the initial public offering of our common stock completed in November 2016, including out-of-pocket expenses.
- (2) Tax Fees consist of fees for professional services for tax compliance, tax advice, tax planning, and employee benefit plan tax services. These services include assistance regarding federal, state and international tax compliance.

## **Auditor Independence**

Pursuant to its charter and the policy described further below, our Audit Committee pre-approves audit and non-audit services rendered by our independent registered public accounting firm, PwC. Our Audit Committee has determined that the rendering of non-audit services for tax compliance services, tax consulting advice and equity plans by PwC is compatible with maintaining the independence of PwC.

In our 2017 fiscal year ended December 31, 2017, there were no other professional services provided by PwC that would have required our Audit Committee to consider their compatibility with maintaining the independence of PwC.

## **Audit Committee Policy on Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm**

Our Audit Committee has established a policy governing our use of the services of our independent registered public accounting firm. Under this policy, our Audit Committee is required to pre-approve all audit and non-audit services performed by our independent registered public accounting firm in order to ensure that the provision of such services does not impair the public accountants' independence. All fees paid to PwC for our fiscal years ended January 1, 2017 and December 31, 2017 were pre-approved by our Audit Committee.

## **Vote Required**

The ratification of the appointment of PwC as our independent registered public accounting firm requires the affirmative vote of a majority of the voting power of the shares of our common stock present virtually or by proxy at the Annual Meeting and entitled to vote thereon. Abstentions will have the effect of a vote "Against" the proposal and broker non-votes will have no effect.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR"  
THE RATIFICATION OF THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP.**

The composition of the Audit Committee, the attributes of its members and the responsibilities of the Audit Committee, as reflected in its charter, are intended to be in accordance with applicable requirements for corporate Audit Committees. The Audit Committee reviews and assesses the adequacy of its charter and the Audit Committee's performance on an annual basis.

With respect to the Company's financial reporting process, the management of the Company is responsible for (1) establishing and maintaining internal controls and (2) preparing the Company's consolidated financial statements. The Company's independent registered public accounting firm, PricewaterhouseCoopers LLP ("PwC"), is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the auditing standards of the Public Company Accounting Oversight Board (United States) and to issue a report thereon. It is the responsibility of the Audit Committee to oversee these activities. It is not the responsibility of the Audit Committee to prepare the Company's financial statements. These are the fundamental responsibilities of management. In the performance of its oversight function, the Audit Committee has:

- reviewed and discussed the audited financial statements with management and PwC;
- discussed with PwC the matters required to be discussed by the statement on Auditing Standards No. 1301, *Communications with Audit Committees*; and
- received the written disclosures and the letter from PwC required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence, and has discussed with PwC its independence.

Based on the Audit Committee's review and discussions with management and PwC, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2017 for filing with the Securities and Exchange Commission.

Respectfully submitted by the members of the Audit Committee of the Board of Directors:

Harold Hughes (Chair)  
Jack Lazar  
Mark Stevens

## EXECUTIVE COMPENSATION

The section below provides information regarding the fiscal 2017 compensation for our named executive officers who consist of our principal executive officer and our two other most highly compensated executive officers who were serving as executive officers as of December 31, 2017, and one additional executive officer who, but for the fact that he was not serving as an executive officer as of December 31, 2017, would have been one of our named executive officers for fiscal 2017.

### Process and Procedures for Compensation Decisions

The decisions with respect to fiscal 2017 executive officer compensation, including the compensation of our named executive officers were made by our Compensation Committee, with input from our Chief Executive Officer (except with respect to his own compensation) and Compensia, Inc. (“Compensia”), an independent compensation consultant within the meaning of the rules of the SEC and the NASDAQ Stock Market. Compensia was engaged by our Compensation Committee pursuant to the authority delegated under its charter, and serves at the discretion of the Compensation Committee.

Our Compensation Committee believes our Chief Executive Officer has valuable insight into the day-to-day contributions of our executive officers, and solicits the advice and input from him with respect to performance objectives under our annual bonus plan and target compensation levels for our executive officers, including our named executive officers. Our Chief Executive Officer does not provide input on his own compensation, which is determined by our Compensation Committee, in its discretion. At the request of our Compensation Committee, Compensia provides an assessment of the competitiveness of our executive compensation program as compared with an industry peer group, and our Compensation Committee uses this assessment as one of several factors in approving target levels of compensation for each executive officer. Other factors our Compensation Committee considers in setting executive compensation include one or more of the following: individual performance and skills, management input, internal relative alignment of compensation levels, current and anticipated future contributions to our Company, and the judgment and experience of the members of our Compensation Committee.

Our Compensation Committee makes the final decisions with respect to all executive officer compensation decisions.

Mr. Bonnot’s employment letter also provided that if Mr. Bonnot resigns from his employment at any time for any reason that does not constitute “good reason,” any vested stock options would remain exercisable until the earlier of (x) 12 months following his termination date or (y) the original term / expiration date of each option.

In connection with his resignation, Mr. Bonnot entered into certain transition and consulting agreements with us. Please see “-Change of Control Severance Agreements and Transition Agreements” below for more details.

#### **Non-Equity Incentive Plan Compensation**

Each named executive officer was awarded cash bonus amounts pursuant to our 2017 Executive Bonus Plan under our Executive Incentive Compensation Plan (the “Umbrella Bonus Plan”), which was originally adopted by our Board of Directors in October 2016. The 2017 Executive Bonus Plan was based on attainment of certain financial performance targets representing 70% of the overall cash bonus target, and corporate performance targets representing 30% of the overall cash bonus target, in each case that were established by our Compensation Committee at the beginning of the fiscal year, with input from our management team. The financial performance goals were based on achievement of certain revenue, non-GAAP gross margin and non-GAAP operating margin targets. The corporate goals were based on key strategic goals, including various sales and engineering performance milestones. The 2017 Executive Bonus Plan also included an overall individual performance multiplier equal to an increase or decrease of up to 20% at the discretion of the Compensation Committee on an individual basis. Under the terms of the Umbrella Bonus Plan, our Compensation Committee also has the authority, in its sole discretion, to increase, reduce or eliminate any participant’s actual award.

Prior to 2017, the performance bonuses were paid on a quarterly basis based on quarterly performance goals. During 2017, the Company partially transitioned the payout of performance bonuses for each of the named executive officers from a quarterly cycle to an annual cycle. For each of the first and second quarters of fiscal 2017, 20% of their respective annual bonus target amount was paid to each of the named executive officers.

Following the end of fiscal 2017, the Compensation Committee, with input from our management team, reviewed the achievement of the 2017 financial and corporate performance targets and determined the percentage of the annual bonus target amount to be paid out based on achievement against those performance goals. The Compensation Committee also considered whether to apply an individual performance multiplier or make other adjustments within its authority. For 2017, the overall achievement of the financial and corporate performance targets was 62.5% and no individual performance multiplier or other adjustment was applied to any named executive officer. The balance of the 2017 annual bonus target amounts (less the amounts already paid during the first and second quarters of fiscal 2017) was paid following the end of fiscal 2017 based on achievement of the financial and corporate performance targets as approved by the Compensation Committee.

The amounts in the Summary Compensation Table under the column “Non-Equity Incentive Plan Compensation” are based on the achievements under the 2017 Executive Bonus Plan. The amounts paid under the 2016 Executive Bonus Plan, which was based on various individual quarterly corporate performance objectives and approved by the Compensation Committee, are also included.

For fiscal 2018, the performance bonuses will be based entirely on financial performance targets on an annual basis. The cash bonus amounts will be paid after the end of the fiscal year based on achievement of the financial performance targets as approved by the Compensation Committee.

#### **Change of Control Severance Agreements and Transition Agreements**

##### ***Sam Heidari, David Carroll and Sean Sobers***

Each of Dr. Heidari and Messrs. Carroll and Sobers has previously entered into a change of control severance agreement with us, as amended. These agreements have a five-year term from the agreement date and renew automatically for additional, one-year terms unless either party provides the other party with written notice of non-renewal at least six months prior to the date of automatic renewal. However, the term will automatically extend in certain circumstances, including that if a change of control occurs when there are fewer than 12 months remaining during the applicable term, each agreement’s term automatically will be extended through the 12-month anniversary of the change of control. Under these agreements, if, within the period beginning three months prior to and ending 12 months following a “change of control” (as such term is defined in the applicable agreement), the executive officer’s employment with us is terminated by us for reasons other than “cause” or by him for “good reason” (as such terms are defined in the applicable executive’s agreement), then, subject to the affected executive’s timely execution and non-revocation of a release of claims in a form prescribed by us, such executive officer will receive the following benefits:

- a lump sum severance payment equal to 12 months of his then-current base salary;
- a lump sum severance payment equal to 100% of his target bonus for the year of termination;

- Company-reimbursed premiums for continued health care coverage under COBRA for up to 12 months for the executive officer and his eligible dependents or, if the Company determines that it cannot provide the COBRA premium benefits without potentially violating applicable laws, a lump sum payment equal to 12 months of COBRA premiums for the executive officer and his eligible dependents; and
- 100% of shares subject to all outstanding equity awards with time-based vesting will become fully vested, and, for any outstanding equity awards with performance-based vesting, the performance metrics will be deemed achieved at target levels.

The change of control severance agreements control with respect to terminations of employment occurring during the period beginning on a change of control and ending 12 months following a change of control. Prior to a change of control, the severance provisions of the applicable executive officer's employment agreement will apply in accordance with their terms. If an executive officer receives severance payment or benefits under his employment agreement or another agreement with us and a change of control occurs during the three-month period following his termination of employment entitling him to severance payments or benefits under this agreement, the executive officer will stop receiving any severance payments or benefits under his employment agreement and the payments and benefits previously paid under that agreement will offset the corresponding payments or benefits under the change of control severance agreement, unless otherwise expressly set forth in writing in the applicable employment agreement or other agreement with the applicable executive officer.

In the event any of the payments provided for under these agreements or otherwise payable to an executive officer would constitute "parachute payments" within the meaning of Section 280G of the Internal Revenue Code (the "Code") and could be subject to the related excise tax under Section 4999 of the Code, such executive officer would be entitled to receive either full payment of benefits or such lesser amount which would result in no portion of the benefits being subject to the excise tax, whichever results in the greater amount of after-tax benefits to him.

### ***Lionel Bonnot***

Mr. Bonnot ceased serving as an executive officer effective November 27, 2017 and his employment with the Company was terminated effective December 31, 2017. In connection with these events, Mr. Bonnot entered into certain arrangements with us to help ensure a smooth transition of his duties.

We entered into a transition agreement and release with Mr. Bonnot on January 16, 2018, which included, among other things, requirements related to his continued compliance with a confidential information agreement entered into with the Company, his agreement to certain non-disparagement and non-solicitation obligations, and a release of claims against the Company. In consideration for such obligations and the release of claims, and consistent with the terms and conditions of his pre-existing employment letter dated October 30, 2007, which letter was amended on December 23, 2008, June 14, 2010, and August 31, 2012, Mr. Bonnot received the following benefits:

- A lump sum severance payment of \$130,000, which represented 6 months of his then-current base salary;
- An additional lump sum severance payment of \$75,000;
- Acceleration of the vesting of 50% of the total number of shares subject to each of his stock options outstanding as of his termination date; and

- The portion of each of Mr. Bonnot's stock options that is vested as of the date he ceases to be a service provider to us (expected to occur on the expiration of his consulting term on June 30, 2018) will remain exercisable until the earlier of (x) 24 months following the effective date of the transition agreement and release (as amended from his employment letter reflecting his employment termination date), (y) the original term / expiration date of the applicable option.

Also, in consideration for additional obligations and the release of claims, Mr. Bonnot received the following further benefits:

- The Company's agreement to enter into a 6-month consulting agreement with Mr. Bonnot, as described below. Pursuant to the terms of Mr. Bonnot's stock options and restricted stock units, these equity awards continue to vest while Mr. Bonnot continues to provide consulting services to us;
- Company-reimbursed premiums for continued health care coverage under COBRA for up to 3 months for Mr. Bonnot and his eligible dependents; and
- Subject to the conditions and upon the circumstances described below, acceleration of vesting of Mr. Bonnot's restricted stock units outstanding as of immediately prior to the expiration of his consulting arrangement.

We also entered into a consulting agreement with Mr. Bonnot effective as of December 31, 2017, under which he will provide us with transition services, marketing reports, and customer and executive support for the 6-month period following his termination of employment. Pursuant to the consulting agreement and the transition agreement and release, if (x) Mr. Bonnot provides the consulting services in good faith for the full consulting period, or if before the expiration of the consulting period, the Company has a change of control (as defined in the consulting agreement) and Mr. Bonnot's consulting arrangement is terminated without cause (as defined in the consulting agreement) (a "qualified termination"), and (y) he timely executes and does not revoke a supplemental release of claims in favor of the Company, he will receive full acceleration of the vesting of his then-outstanding restricted stock units. In addition, pursuant to the consulting agreement, Mr. Bonnot is entitled to the reimbursement of premiums for continued health care coverage under COBRA for him and his eligible dependents for up to the duration of the 6-month consulting term.

#### **2016 Omnibus Equity Incentive Plan, 2016 Equity Incentive Plan and 2006 Stock Plan**

Our 2016 Plan and our 2016 Equity Incentive Plan (the "2016 EIP"), each provide that in the event of a merger or change in control, as defined under the applicable Plan, each outstanding award will be treated as the administrator determines, without a participant's consent. The administrator is not required to treat all awards, all awards held by a participant, or all awards of the same type, similarly.

In the event that a successor corporation or its parent or subsidiary does not assume or substitute an equivalent award for any outstanding award, then such award will fully vest, all restrictions on such award will lapse and all performance goals or other vesting criteria applicable to such award will be deemed achieved at 100% of target levels. In this event, each such award will become fully exercisable, if applicable, for a specified period prior to the transaction, unless specifically provided for otherwise under the applicable award agreement or other written agreement with the participant. The award will then terminate upon the expiration of the specified period of time. If an option or stock appreciation right is not assumed or substituted, the administrator will notify the participant in writing or electronically that such option or stock appreciation right will be exercisable for a period of time determined by the administrator in its sole discretion and the option or stock appreciation right will terminate upon the expiration of such period.

Our 2006 Stock Plan (the “2006 Plan”), similarly provides that, in the event that we are a party to a merger or change in control, outstanding awards may be assumed or substituted by the successor corporation or a parent or subsidiary thereof. In the event the successor corporation refuses to assume or substitute for an award, then such award will become fully vested and exercisable, including shares as to which such award would not otherwise be vested or exercisable, and restrictions on restricted stock will lapse. If an award becomes fully vested and exercisable in lieu of assumption or substitution, the administrator will notify the participant in writing or electronically that the award will be fully vested and exercisable for a period of time as determined by the administrator and that the award will terminate upon the expiration of such period for no consideration, unless otherwise determined by the administrator.

Under our 2016 Plan, in the event of a change in control, each outstanding equity award granted under the plan that is held by a non-employee director will fully vest, all restrictions on the shares subject to such award will lapse, and with respect to awards with performance-based vesting, all performance goals or other vesting criteria will be deemed achieved at 100% of target levels, and all of the shares subject to such awards will become fully exercisable, if applicable, unless specifically provided otherwise under the applicable award agreement or other written agreement with the director.

## **Pension Benefits and Non-qualified Deferred Compensation**

We do not sponsor any pension plans for our employees, and none of our named executive officers participated in a non-qualified deferred compensation plan in fiscal 2017.

### **401(k) Plan**

We offer eligible employees the opportunity to participate in a tax-qualified retirement plan, or the 401(k) plan, that provides eligible employees with an opportunity to save for retirement on a tax-advantaged basis. Eligible employees are able to participate in the 401(k) plan upon satisfying the 401(k) plan's eligibility requirements, and participants are able to defer up to 100% of their eligible compensation subject to applicable annual Code limits. All participants' interests in their deferrals are 100% vested when contributed. The 401(k) plan permits us to make profit sharing contributions to eligible participants, although we have not made any such contributions to date. Effective July 1, 2016, we implemented a matching contribution program pursuant to which we match 100% of contributions up to one percent (1%) of eligible compensation for each plan participant for 2016 and up to two percent (2%) of eligible compensation for each 401(k) plan participant beginning in 2017, in each case, subject to vesting over four years from each such participant's date of employment.

## CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

We describe below transactions and series of similar transactions, since the beginning of our last fiscal year, to which we were a party or will be a party, in which:

- we have been or are to be a participant;
- the amount involved exceeded or will exceed \$120,000; and
- any of our directors, executive officers or holders of more than 5% of our outstanding capital stock, or any immediate family member of, or person sharing the household with, any of these individuals or entities, had or will have a direct or indirect material interest.

### **Investors' Rights Agreement**

We are party to an investors' rights agreement which provides, among other things, that certain holders of our capital stock, including entities affiliated with Centerview Capital, DAG Ventures, Sigma Partners, Southern Cross Venture Partners, China Walden Venture Investments II, L.P. and Joint Stock Company "RUSNANO," have the right to demand that we file a registration statement or request that their shares of our capital stock be covered by a registration statement that we are otherwise filing.

### **Executive Offer Letter Agreements**

We have entered into at-will offer letters with certain of our executive officers, including our named executive officers. For more information regarding the offer letters with such the named executive officers, see the section titled "Executive Compensation-Named Executive Officer Employment Arrangements."

### **Severance and Change of Control Agreements and Transition Agreements**

We entered into change of control severance agreements with certain of our executive officers, including our named executive officers. We also have entered into transition arrangements with Mr. Bonnot, our former Senior Vice President, Marketing and Business Development. For more information regarding these agreements, see the section titled "Executive Compensation-Change of Control Severance Agreements and Transition Agreements."

### **Indemnification of Officers and Directors**

We have entered into indemnification agreements with each of our directors and executive officers. The indemnification agreements and our amended and restated certificate of incorporation and amended and restated bylaws require us to indemnify our directors and executive officers to the fullest extent permitted by Delaware law. We intend to enter into indemnification agreements with any new directors and executive officers in the future.

We have purchased and intend to maintain insurance on behalf of each and any person who is or was one of our directors or officers against any loss arising from any claim asserted against him or her and incurred by him or her in any such capacity, subject to certain exclusions.

## **Other Transactions**

Other than as described above, since the beginning of our last fiscal year, we have not entered into any transactions, nor are there any currently proposed transactions, between us and a related party where the amount involved exceeds, or would exceed, \$120,000, and in which any related person had or will have a direct or indirect material interest. We believe the terms of the transactions described above were comparable to terms we could have obtained in arm's-length dealings with unrelated third parties.

## **Policies and Procedures for Related Party Transactions**

Our Audit Committee has adopted a formal written policy providing that our Audit Committee is responsible for reviewing "related party transactions," which are transactions to which we are a party, in which the aggregate amount involved exceeds or may be expected to exceed \$120,000 and in which a related person has or will have a direct or indirect material interest. For purposes of this policy, a related person is defined as a director, executive officer, nominee for director or greater than 5% beneficial owner of our capital stock, in each case since the beginning of the most recently completed year, and any of their immediate family members. In determining whether to approve or ratify any such transaction, our Audit Committee will take into account, among other factors it deems appropriate, (i) whether the transaction is on terms no less favorable than terms generally available to unaffiliated third parties under the same or similar circumstances and (ii) the extent of the related party's interest in the transaction. The policy will grant standing pre-approval of certain transactions, including (i) certain compensation arrangements of executive officers, (ii) certain director compensation arrangements, (iii) transactions with another company at which a related party's only relationship is as a non-executive employee, director or beneficial owner of less than 10% of that company's shares and the aggregate amount involved does not exceed the greater of \$200,000 or 2% of our total annual revenue, (iv) transactions where a related party's interest arises solely from the ownership of our common stock and all holders of our common stock received the same benefit on a pro rata basis, and (v) transactions available to all U.S. employees generally.

## OTHER MATTERS

### Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires that our executive officers and directors, and persons who own more than 10% of our common stock, file reports of ownership and changes of ownership with the SEC. Such directors, executive officers and 10% stockholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

SEC regulations require us to identify in this Proxy Statement anyone who filed a required report late during the most recent fiscal year. Based on our review of forms we received, or written representations from reporting persons stating that they were not required to file these forms, we believe that during our fiscal year ended December 31, 2017, all Section 16(a) filing requirements were satisfied on a timely basis, with the exception noted below:

- A late Form 4 was filed for David Carroll on April 28, 2017 to report the exercise of a previously held stock option and purchase of 10,000 shares of common stock on February 10, 2017.
